G.O. No. 1467 [50 (S)], P.H., dated 30th June 1933.

Read—the following paper:—

Letter from Lt.-Col. J. R. D. Webb, o.b.e., I.M.S., Officiating Director of Public Health, to the Secretary to Government, Local Self-Government (Public Health) Department, dated Ootacamund, the 25th May 1933, T. No. 16 P.H.

I have the honour to forward herewith for favour of approval of the Government, the proposed Rural Development Scheme for the Tiruvallur taluk of Chingleput district. The scheme is an attempt to co-ordinate all type of rural work on one selected area and to learn methods which could be adopted for other areas of the Madras Presidency. The detailed scheme enclosed herewith shows the method for introducing and continuing the work. It will be noticed that no extra expenditure will be incurred by Government over and above that which is already spent under the existing budgets.

From the public health and medical aspects of this scheme, Dr. Victor G. Heiser who represents the Public Health and Medical section of the Rockefeller Foundation, during his visit to Madras in March
